Letters from the Troops

I am the Company First Sergeant of Co. B, 1st BN, 25th Marines, currently serving as part of Operation Enduring Freedom, in Afghanistan. During the past two weeks Co. B has received approx. fifty of you care packages. The packages were put to good use and we Thank You. I also see that you are located in Bedford, NH. We are a Marine Reserve Infantry Company, located in Londonderry, NH.

FEEDBACK, as requested: What you sent was great. The only item that we could use more of would be the following:

- Men's shower gel or soap, Hand Sanitizer (germ-x soft wipes are great), Men's deodorant, Baby Wipes and Laundry detergent / fabric softener sheets

We have plenty of candy and junk food. The Marines in this Company are also very focused on physical fitness, so the junk food temptation interferes with that. We chose not to give candy to children in our Area of Operations, due to safety concerns for the children and the Marines.

I am attaching a photo of our Company that was taken back in June, while we were training at Camp Pendleton. We look forward to thanking you in person when we return from our deployment.

Semper Fidelis,
1st Sgt Rocco C. DeCamillo

Dear Moore Mart,

The other day I received a package from your group and I can't tell you how grateful I am. It's great to get packages from family and friends but it's even better to receive one from people you've never met! I truly appreciated everything that you included in the package. Everything you sent was perfect for where we are and what we are missing. I would appreciate the opportunity to say thank you for your kindness and generosity. I would be happy to make a donation if you would let me know how. Furthermore, as a C-130 pilot, I frequently visit destinations in every corner of Afghanistan. I noticed your website spoke of donating to children throughout this country. If you ever need help distributing your packages to hard to reach Forward Operating Bases or villages, I would do my best to see if I could help. Thank you again for making my day.

Regards,
Ryan Nugent, Captain
774th Expeditionary Airlift Squadron
USAF / Air National Guard

Raffle tickets are still on sale of local renowned artist Michael James Toomy artwork "Sons of the Republic". Check out his fantastic work and the raffled painting at www.londonderryfineart.com
