## Letters from the Troops

Thank you so much for sending us several boxes of stuffed stockings. We stored them and brought them out on Christmas Eve. We created a line for people to stop by and get a picture with Santa and his elves then grab a stocking. It was an amazing turn out and everyone appreciated the stockings. Your support means a lot to us when it is hard to get some of the supplies we love to have. I have attached a few photos from our evenings events so you can see exactly what we did. I hope you enjoy the photos as much as we enjoyed our evening. And we have you to thank for helping make this event so successful. Merry Christmas and Happy New year!!!

Dear Mooremart [volunteers](#)/members,

I am currently serving overseas and our First Sergeant submitted our unit to your wonderful organization! I would like to express my heartfelt thanks to you! I have been serving for 21 years and this is my 7<sup>th</sup> deployment. Your contributions, especially during the holidays are very much appreciated! We have many members here who are on their first deployment and your packages have made a difference to them! It is wonderful to have so much support!

Dear Moore Mart,

All I can say is WOW!!!! Thank you so very much for your very generous Christmas stocking care packages. They came in 2 pallets and were delivered to me right at the hospital where I work. Needless to say it was all we could talk about yesterday! I have turned over all of the Christmas stockings to our Morale, Welfare and Recreation Committee (MWR). They are going to distribute the stockings to the staff a bit closer to Christmas. We have saved out many to give to our American Soldiers who will be here as patients over the holiday season as well. Admittedly I peeked in a few and was completely overwhelmed by your creativity, thoughtfulness and generosity. Again, many, many thanks for your thoughtfulness, prayers and support. Sincerely,

Lynne Ferrari Blankenbeker, CDR, USN, NC NATO Role 3, MMU Kandahar, Afghanistan
